

Mission Statement

The mission of the Chamber of Commerce is to promote, assist, and encourage the commercial, industrial, agricultural, civic, social, economic, tourism, and educational interests of the Gilmer County area, including Ellijay and East Ellijay.

Objectives

1. Provide and maintain an effective and efficient organization to carry out the mission of the Chamber of Commerce.
2. Provide active leadership in setting goals for the future of Gilmer County, Ellijay, and East Ellijay, regarding quality of life, work environment, and a successful business climate.
3. Utilize volunteer leadership to assure that the mission and objectives of the Chamber are stated in such a way as to be responsive to the needs of its membership.
4. Develop planning capabilities that will enable the Chamber to anticipate future changes, both internal and external and respond in accordance with the Chamber's mission.
5. Adopt and maintain a working relationship with other organizations, including local governments, interested in the growth and development of Gilmer County, Ellijay, and East Ellijay.
6. Participate in and support efforts to achieve balanced growth, encourage economic development, promote tourism, encourage responsible use of our natural environment, and be a positive force in Gilmer County by influencing the future direction and policies of industry, commerce, and government.
